

Chemical Partners Egypt: Celebrating 30 years of excellence in industrial chemicals

Founded 30 years ago, Chemical Partners Egypt has established itself as a market leader in the industrial chemicals sector. An independent entity, the company prides itself on its commitment to excellence and innovation, distinguishing itself in a competitive landscape.

As a leader in the industrial chemicals market, Chemical Partners Egypt is a trading company specialized in providing high-quality specialty additives tailored to meet the diverse needs of various industries, including CASE (Coatings, Adhesives, Sealants, and Elastomers) & construction chemicals. CPEG also has a strong focus on inks, catering to the specific requirements to a wide range of customers. Its robust portfolio positions it as a trusted partner among industry players looking for reliable chemical solutions.

Chemical Partners Egypt operates as a 100% independent company, allowing for agility and responsiveness to market demands. This independence ensures that all strategic decisions are made in alignment with the company's values and objectives, enabling a strong focus on customer satisfaction and product innovation. It is essential to note that Chemical Partners Egypt is an independent entity and is not undergoing any acquisition by any other organization.

We have developed strategic relationships with top-tier principles worldwide, ensuring access to cutting-edge technologies and an extensive range of products. This network not only enhances the product offerings of Chemical Partners Egypt but also strengthens its position in the global market.

Chemical Partners is committed to delivering outstanding technical support to its customers through CPSC (Chemical Partners Scientific Center), which is accredited under [ISO 17025](#) to provide the most accurate and trusted lab results. This facility is equipped with advanced research and testing capabilities, enabling tailored solutions and technical service that meet the specific requirements of clients. The focus on technical service is a core aspect of the company's mission to foster long-term partnerships based on trust and reliability.

With three decades of experience, a commitment to innovation, and a strong network of global partnerships, Chemical Partners Egypt is positioned to continue leading the industrial chemicals market. The company's focus on specialization and customer service remains the cornerstone of its operations, ensuring it meets the evolving demands of its clientele.
